

PLATINUM BILLING AGREEMENT

— NEXJEN BJJ & MARTIAL ARTS —

Platinum membership packages entitle the member to attend any/all regularly scheduled BJJ classes and open mat sessions. Fees for seminars, special events and add-on classes (ex: karate, cardio MMA) are NOT included as part of the membership unless otherwise specified.

Platinum membership packages require a 6 month contract with scheduled auto draft payments (credit, debit or ACH).

The 6 month contract begins the 1st of the month following the enrollment date. After the initial payment, membership fees are automatically drafted on the 1st of each month. No prior-notification of the charge will be provided unless the date or amount changes, in which case NexJen will notify the member least 10 days prior to the payment being collected.

Contracts automatically renew unless written notice of termination is received a minimum of 14 days prior to the end of the contract. Otherwise a new 6 month contract will begin. An additional enrollment fee is not charged for auto-renewals with no changes.

The first month membership payment will be prorated by the week if 3 weeks or less are left in the month at enrollment. Enrollment fees are NOT prorated and are non-refundable.

If a membership contract (whether the initial or auto-renewed) is canceled in the 1st-5th month, an early cancellation fee equal to ½ of the remaining contract balance will be due immediately and payment will be auto-drafted from the billing account.

To receive a first responder or military discount, the first responder/military member must be the primary membership holder and active student.

Multi-level discounts apply to members of the same family/household only.

Off contract changes to family membership packages

Adding or dropping members to a family membership package can be done if written notice is received a minimum of 14 days prior to the end of the contract. Adds to membership incur a \$25 enrollment fee per new member.

For changes to a membership package outside the 14 day period:

- Adding member(s) \$50 enrollment fee per new member + level cost difference. Resets contract date to new 6 month period.
- Dropping member(s) 1/2 of level cost difference for each month remaining on contract. Resets contract date to new 6 month period.
